

Sargent School District Re-33J

Fiscal Year 2011 Preliminary Budget
(2010-2011)

With assumptions, highlights and budgeted revenue/expenditure details
for the following funds:

General	Fund 10
Insurance	Fund 18
Preschool	Fund 19
Capital Reserve	Fund 21
Federal Programs	Fund 22
Pupil Activity	Fund 23
Bond Redemption	Fund 31
Bond Redemption-03	Fund 32
Special Building	Fund 41
Food Service	Fund 51
Trust & Agency	Fund 74

June, 2010

Sargent School District 2010-2011 (FY 11) Budget

Caution. Colorado schools are still absorbing the fiscal impact of ten years of below-inflation increases in state funding (1990-1999) combined with the escalating costs of state mandates and education reform.

Additionally, Colorado's tax structure restricts state funding for K-12 public education. The lethal combination of federal mandates, the Gallagher and Doug Bruce amendments and the general assembly's own 6% limitation continue to take their toll. The 2000 passage of Amendment 23 gives help in terms of the required 1% above inflation/growth in state school funding. However, that is in jeopardy in view of state budget cuts due to revenue shortfalls.

It is wise to remember, too, that school budgets are always subject to rescission depending upon the state's cash flow.

Timeline. According to state statute, the FY 11 Proposed Budget must be presented to the Board of Education by May 31, 2010. Districts then have 10 days to publish public notice of a budget hearing. The board of education has until June 30th to adopt the FY 11 budget. The Board may, however, amend the FY 11 budget up until January 31, 2010. As per the above, this proposed budget assumes the following specific timeline:

May 24	Presentation of proposed FY 11 budget to Board of Education
May 26/6/ 10	Public notice of budget hearing published in Monte Vista Journal
June 28	Budget hearing at 7:00 pm
June 28	Formal adoption (with any revisions resulting from public comment)
October	Audited fund balances and pupil counts available
Jan. 31	Last date to amend FY 2011 budget

Definition. Budgeting is a process by which an organization has an opportunity to align its resources with its purposes.

Assumptions. School finance is a complex issue. Many factors interact to impact decisions relative to allocating available resources to meet current needs. The following assumptions are given as a means of identifying some of the issues involved in the preparation of this budget.

Possible State Recision(s)

School budgets are always subject to rescission depending upon the state's cash flow. For fiscal year 09-10 the rescission amount is \$85,285.48.

Pupil Count

This budget is based on an October, 2010 K-12 FTE count of 478.9. The five-year average, results in an averaged FPC of 464.0. Then, including a preschool FTE count of 12.5, and a full day kindergarten factor of 3.0, the total FY11 FPC is 478.5. The following recaps Sargent's October FTE PS-12 pupil count history:

2010---452.0	2006---408.5	2002---384.5	1998---411.0
2009---448.0	2005---403.5	2001---403.5	1997---415.0
2008---454.5	2004---417.0	2000---377.0	1996---447.0
2007---451.0	2003---405.0	1999---418.5	1995---421.5

Since preschool/kindergarten students only count for .58 FTE, actual student counts are higher.

It should be noted that the population of school-aged children in the San Luis Valley is decreasing; however, Sargent is viewed as a progressive district in terms of quality programming for children and 54% of Sargent students reside in surrounding districts.

Note: A decrease in pupils on the October count means a commensurate loss in revenue, an increase in pupils means a gain in revenue. However, the gain/loss does not equal Per Pupil Revenue (PPR) figures due to the finance formula's sliding scale.

CDE is predicting 159.0 at-risk students, as determined by the number of students meeting federal poverty guidelines. This is an increase of 14 students from the previous year.

This budget assumes state funding of 12.5 FTE Colorado Preschool Program slots and 3.0 FTE special education preschool students. The Sargent School District annually transfers to the preschool organization the amount of revenue generated by these students calculated at the state PPOR rate (PPR less state-required capital reserve amount)—12.5 FTE X \$7,256.73 = \$90,709.13 for FY 11. The 12.5 CPP slots are projected on the CDE funding projection. The 3.0 special education preschool slots are included in the overall district FTE projection.

Beginning Fund Balance (BFB)

Audited beginning fund balances and their associated years are detailed below:

2009/10	1,194,875	2001/02	93,534
2008/09	956,213	2000/01	<132,000>
2007/08	900,376	999/00	<119,298>
2006/07	597,953	1998/99	5,324
2005/06	441,990	1997/98	44,384
2004/05	270,636	1996/97	303
2003/04	220,039	1995/96	<2,324>
2002/03	220,059	1994/95	88,591

The ebb and flow of beginning fund balances are due to fluctuations in the number of district personnel employed in any given year plus school and district spending patterns.

Beginning fund balances are calculated on an accrual concept. For instance, if the district were forced to close its doors at the end of the budget year (June 30), it would still owe teachers a paycheck for July and August. The BFB is calculated with this reserve of salary monies in mind. Actual cash balances are higher than the audited BFB.

Projected Figures

(CDE Projection)

October 1 Funded Pupil Count	478.9	
Per Pupil Funding (incl Cap Res)	\$7,256.73	
Assessed Valuation	\$28,318,320	
Property Tax Revenues	\$764,594.65	22%
Specific Ownership Taxes	\$104,443.65	3%

State Equalization	\$2,606,208.16	75%
Total Program Funding	\$3,475,246.46	100.0%

A school district's annual PPR is based on a formula that includes sliding scales for district size, area cost of living, personnel costs, and number of at-risk students.

These figures do not include other forms of revenue; i.e., interest income, miscellaneous local income, transportation mill-levy override revenue, specific ownership tax derived from the bond redemption fund, grant funds and categorical reimbursements (partial) for transportation, vocational and special education.

Bond Redemption Funds

The bond redemption mill levy correlates to annual assessed valuation and all revenues are treated separately from general fund revenues.

Matching Bond for BEST Construction Project

In November of 2008, voters approved a \$5,000,000 bond to compliment the BEST grant funding for capital construction with a repayment cost of up to \$9,075,640. The debt shall bear interest at a maximum net effective interest rate not to exceed 6.5%. This debt will be effective for 20 years.

Mill Levy Override

In November 2000 the Sargent School District electorate passed with 69% of the vote a mill levy override for general fund taxes to be increased by \$75,000 annually beginning with the 2000/01 fiscal year and for each fiscal year thereafter to provide funds to purchase a bus and/or other capital needs. For the next two years the mill levy override will be used to purchase technology needs for the district. The third year the funds could be used to purchase a bus if needed. The following purchases have been made from this fund:

CY 2001	\$82,111	65-Pass International Bus and 15-Pass Van
CY 2002	\$74,230	71-Pass Bluebird Bus and 12-Pass Wheelchair Bus (used)
CY 2003	\$72,825	71-Passenger International Bus
CY 2004	\$50,860	15-Passenger Wheelchair Bus
CY 2005	\$66,550	65 Passenger Bus
CY 2006	\$71,488	65 Passenger Bus
CY 2007	\$78,338	65 Passenger Bus
CY 2008	\$75,000	technology purchases
CY 2009	\$75,000	technology purchases

Investment Income

Depending upon rates, \$10,000 in general fund interest income is projected.

E-Rate

Ronna Cochran does an excellent job keeping the district current with federal E-Rate applications and processing. The following applies for FY 11

- Funding Request Numbers have been received for Verizon, Qwest (local and long distance) and Amigo.Net (Zero Error Network).
- Amigo Net has contact for \$14,400—70% will be paid by E-Rate directly to Amigo (\$10,080) and Sargent will owe 30% (\$4,320)
- Qwest monthly bills will be paid at 70% by E-Rate and we will be reimbursed at the end of June 2010.
- Verizon monthly bills will be paid at 70% by E-Rate and Sargent will be reimbursed at the end of June 2010

Contingency

State statute no longer requires a 3% reserve for “act of God” emergencies. However, the district will continue to maintain a 3% reserve for the FY2011. In addition, the district will work toward adequate cash reserves that will help avoid the cyclical nature of Colorado school finance. Lean years in state funding can cause program and employee cutbacks. Reserve funding can be a means of maintaining program and employee levels during those times. The district has made significant gains in reserve balances since FY 01. Additionally, statute requires board resolution for any amount expended that reduces reserves below Beginning Fund Balance amounts.

Cash Flow and Borrowing

State equalization monies are received on the 25th of each month and the district payday is on the 28th of each month. This proposed budget projects NO cash flow loans from the state treasurer’s office. Sargent loan history is summarized below:

FY 10--\$0	FY 04--\$0	FY 99--\$450,000
FY 09--\$0	FY 03--\$0	FY 98--\$311,465
FY 08--\$0	FY 02--\$0	FY 97--\$292,683
FY 07--\$0	FY 01--\$250,000	FY 96--\$295,700
FY 06--\$0	FY 00--\$450,000	
FY 05--\$0		

Local property taxes are not received until the last third of the budget period (March, April, May, June) which also impacts the budget year cash flow.

Capital/Insurance Statutory Requirement

State statute no longer mandates in FY 11 an expenditure per FTE student for capital/insurance outlay. However, the district will maintain at previous levels. The total general fund transfer for these two areas is \$210,509 an expenditure of \$439.57 per student.

Instructional Supplies Statutory Requirement

State statute no longer mandates in FY 2011 an expenditure per FTE pupil for instructional supplies. The district will continue to maintain this line item in the budget. This proposed budget estimates \$42,383 for instructional supplies or \$88.50 per student.

Building Budgets

This budget contemplates a decrease in discretionary funds for building budgets.

Textbooks

\$4,500 has been budgeted for textbook purchases—\$2,000 for elementary textbooks and \$2,500 for secondary textbooks. However, principals can choose to divert money from their building budgets to accommodate increased textbook needs.

Health Insurance

The Sargent School District is part of the self-funded San Luis Valley Combined Educators Health Plan. Since it is a non-profit organization, individual and family premiums are generally lower than in other plans. The single premium will be \$430 and family premium \$974. There is a projected 10% increase for the 2010-2011 budget year.

Salaries and Benefits

Salaries and benefits account for 57% of the total budget, roughly compare-able to other Colorado school districts of similar size.

Recommended Budget Enhancement

Facilities

The Board of Education and Facilities Committee will continue to work with the Neenan Company to construct and renovate district buildings.

In 2008, the community voted to pass a \$5,000,000 bond in order to provide a district match for BEST funding. The State Board of Education approved BEST funding for a total project amount of approximately \$23,000,000. This project will include the construction of a new Jr/Sr High School, renovation of the elementary and renovation of the existing HS gym.

Anticipated Revenue Decrease

Specific Ownership Tax	\$10,482
Equalization	\$169,190
Vocational-CISCO	\$7,200

Anticipated Expenditure Increase

CDE Fiscal Emergency Restricted Reserve	\$74,000
BEST Reserve	\$50,000
PERA	\$18,000

Anticipated Expenditure Decrease

Salaries and benefits	\$220,247
-----------------------	-----------

TABOR Restrictions

Sargent School District voters have authorized our school district to collect, retain and expend all revenues including grants and other funds collected, notwithstanding the limitations of Article X, Section 20 of the Colorado Constitution, provided, however, that no property tax mill levy shall be increased at any time nor shall any new tax be imposed without the prior approval of voters.

Additional Challenges and Considerations

This budget included many challenges brought on by an unprecedented reduction in state funding. The following are some of the areas from which savings were realized by eliminating or reducing:

○ Secondary Principal salary/benefits	\$78,342
○ Infinite Campus Administrator	\$18,000
○ 3 Paraprofessional positions	\$28,806
○ HS Shop position to 3/7 time	\$15,427
○ Elementary Music salary/benefits	\$14,807 (1 ½ FTE to 1)
○ Freeze salary schedules across the board	\$28,566
○ 2% COL bonus and benefits	\$46,741
○ Cash stipends in lieu of insurance reduction	\$14,400 (276 to \$150)
○ Background checks	\$750
○ Overtime pay	\$13,512
○ Assistant Coaches	\$6,000
○ Curriculum development	\$15,000
○ Athletic secretary	\$1,200
○ Concessions sponsor	\$1,200
○ Stipend for gate duty	\$1,500
○ Stipend for clock	\$1,800
○ Reduction of field trips	\$7,100
○ Reduction of budgets	\$40,000
(classroom/textbook/supply)	

A voluntary retirement option was offered to four teachers who qualified. Two teachers accepted the option to retire, therefore helping to reduce our salary budget.

With the construction of a new building, utility costs will be unknown until we have operated the building for a one year period of time.

In November, ballot issues could significantly reduce revenue for property and specific ownership taxes.

FY 11 Budget Highlights

- Based on a funded pupil count of 478.9
- Details state funded per pupil revenue of \$7,256.73
- Provides for an emergency fund of \$131,526 and a district contingency fund of \$1,159,875.
- Provides \$372.37 per student for capital insurance outlay
- Provides \$88.50 per student for instructional supplies
- The general fund appropriation of \$4,468,014
- Local property and specific ownership taxes fund 21.1% of total program funding. State funds provide the remaining 58.3%
- Projects no need for state cash flow loan

Sargent School District RE-33J
Rio Grande County
Report of Adopted Budget
Fiscal Year 2010/2011

Appropriation Resolution

Be it resolved by the Board of Education of Sargent School District RE-33J in Rio Grande County that the amounts shown in the below schedule be appropriated to each fund as specified in this Preliminary Budget for the ensuing fiscal year beginning July 1, 2010 and ending June 30, 2011.

<u>Fund</u>	<u>Appropriation</u>
General	\$4,468,014
Governmental Program	190,434
Capital Reserve	430,075
Insurance Reserve	80,509
Preschool	90,713
Pupil Activity	
Trust and Agency	250,000
Special Revenue	250,000
Bond Redemption	546,000
Food Service	186,755
Total Appropriation	\$6,492,500

Date of Adopted Budget: June 28, 2010
